The following are the rules and regulations governing use of the Indian Canyons Golf Resort (the "Club") by discount cardholders and their guests under the Clubs Premium Player Discount Cardholders Program. These rules and regulations replace and supersede all prior rules and regulations and all other cardholder agreements that may have been implemented in the past. Such prior agreements are no longer valid and are not binding on Management. The undersigned hereby agrees to be bound by the terms of the Rules and Regulations contained in this document as they may be amended by Management in its sole discretion.

Applicants Signature: _____ **Date:** _____**Print Name:** _____**Golf Club Management, Nature of Cardholder Program**

Indian Canyons Golf Resort is owned by the Agua Caliente Band of Cahuilla Indians (Hereafter referred to as "Owners").

As the operator of the Club, Management retains the right to decide all issues regarding operation and management of the Club including but not limited to the booking of tee times and reservations of the golf course by groups and tournaments. Management also reserves discretion to implement, revise, restrict or otherwise control all aspects of the sale and/or benefits of Discount Cards and the benefits that Management grants holders of those Discount Cards. Management may change, alter, or discontinue the sale of Discount Cards at its discretion, except that it will not change the benefits or dues of a Cardholder during an annual contract period. Management reserves the right to permit public play at the Club.

The Cardholder obtains non-equity, non-participatory right to use the Club and obtains no rights, benefits or responsibilities with regard to the ownership or operation of the club or the Discount Cardholders Program other than those expressly stated with regard to the benefits included in the Discount Cardholders Program purchased. The Cardholder is the person obligated for the payment of all fees, dues, fines and charges. Discount Cards and guest passes are not transferable. Management reserves the right to refuse the sale of a Discount Card to any person or party.

Tee Times and Cancellation Policy

The Cardholder may book and play up to five (5) days in advance of their tee time only to get the discount rate. Bookings six (6) or more days from the date of play may be made but regular rack rates will apply (This includes if you join another group that has booked more than five days in advance). Cardholders are responsible to show up for all reserved tee times or call at least 24 hours in advance to cancel or change. Failure to show up or cancel 24 hours in advance will result in a \$50.00 No Show fee being charged for each slot reserved to the cardholder making the reservation. If you refuse to play with any other golfers that are assigned the same tee time as you for any reason and you do not accept another available spot that we offer, will result in a return of your green fees paid and a \$50.00 No Show fee being charged for each slot reserved to the cardholder making the reservation. Any Cardholder found to have not shown up for more than three reserved tee times will automatically forfeit his or her rights as a Discount Cardholder. No refunds or credits will be given back to cardholder. A cancellation number can be provided anytime you call to cancel or change a reservation. Request and save this number, you must provide it if there is a dispute involving a cancellation or no show charge.

Suspension

Management has the absolute right to suspend for a definite or indefinite time, the Cardholders privileges of any Cardholder who Management finds has violated any rule, regulation or policy established in the rules and regulations contained in this document (or otherwise established by Management for the operation of the Club). Any behavior that is disruptive to the operation of the Club may result in suspension. A suspension may be lifted by Management, in its sole discretion, upon receipt of evidence that any rule, regulation and/or policy violation committed has been remedied and/or any offensive behavior will not be repeated. Such suspension removal may require the Cardholder to agree to certain terms and conditions, and/or pay certain fines or penalties, or comply with other appropriate requirements which shall be determined in the sole and absolute discretion of Management.

Revocation

A Discount Card may be revoked and the rights of any person or persons entitled to privileges under that Card may be terminated for any of the following reasons:

- Commission of any felony or misdemeanor.
- Willful destruction or theft of the Clubs or customer property.
- Physical or gross verbal abuse of staff or customers.
- Continued and/or repeated violations of any rules or policies.
- Conduct which seriously detracts from Managements absolute right to manage the Club and preserve its financial integrity.
- No refunds or credits will be given back to cardholder.

Rules Relating to Cardholder Conduct

Each Cardholder agrees to abide by all the rules and regulations established by Management relating to the conduct of Cardholders, their guests and other customers of the Club. Said rules may include, without limitation, rules regarding proper conduct, dress code and golf etiquette. Safe cart operation is the sole responsibility of the Cardholder. The Cardholder will be financially responsible for any damage to the cart or other property.

I have read, understand and agree to abide by the rules, regulations and policies stated above in the “Golf Club Management, Nature of Cardholder Program”, “Tee Times and Cancellation Policy”, “Suspension”, “Revocation”, and “Rules Relating to Cardholder Conduct” sections of this agreement.
